

Monograde Oil For Diesel Engines

Description

DAYAN DELVAC SAE 50 API CD/SF presents as a monograde engine oil tailored for the lubrication needs of both diesel and petrol engines found in older trucks, passenger vehicles and even some marine engines. This oil distinguishes itself through a blend of effective detergent and dispersant complemented by a minimal ash content.

Features and benefits

- Monograde
- High viscosity index
- High detergent level
- High dispersancy level
- Good anti-wear, anti-corrosion properties
- Good anti-rust, anti-oxidant, anti-foaming properties.

Applications

- All diesel turbocharged or normally aspirated engines.

Specifications

- SAE: 50
- API: CD/SF

Product and environmental safety

Based on available information, this product is not expected to produce adverse effects on health when used for the intended application. This product should not be used for purposes other than its intended use. If disposing of used product, take care to protect the environment.

The DAYAN trademark is registered and protected in Iran.

Technical Data

Test	Units	Method	CD 50
Relative Density at 15°C	kg/m ³	ASTM D1298	900
Kinematic Viscosity at 100°C	mm ² /s	ASTM D445	20
Viscosity Index	-	ASTM D2270	95
Flash Point	°C	ASTM D92	240
Pour Point	°C	ASTM D97	-12
